**MESSAGE FROM CHAIRMAN THEO**

**HAPPY NEW YEAR 2022!!!**

Welcome to a new year. We look forward to a great year. I am sure it will have challenges but the good news is we are up for it. This year could see the next steps towards an accommodation facility. I also have pleasure in announcing our Leadership Team for this year:

**Chair:** Theo; **Vice-chair:** Brian; **Treasurer:** Alan; **Secretary:** Glenn; **Hospitality Coordinator:** Fran; **Chaplain:** Nathan; **Assistant Chaplain:** Ray; **Committee:** Hima, Ann, Cec and Sam (**Patron**)

Another partner, " **Make A Difference**", has commenced a breakfast BBQ on alternate Sundays at Club North Haven, commencing at 8.30am. Further info from Theo - 0438-358057.

**SPECIAL NOTICE:** Community at 3 has been so supported in many ways by the **Laurieton United Services Club**, and we have an indefinite exclusive booking at the rear of the Club, every Wednesday afternoon, for our BBQ meal. As a guest of the Club, we must of course abide by the Club rules, one of which is that **every person entering the Club property must be fully vaccinated against Covid-19 or hold an exemption certificate.** The effect of this is that we are unable to have non-vaccinated, non-exempt people at our weekly BBQ. We apologise if this causes you not to be able to join us, however, the rule is one which we must adhere to. Thank you for your understanding.

Every fortnight local group "FLAMINGO" bring great music to our BBQ gatherings. We are back & they are back. Thank you so much Jack, Pat & Band You can book them on **0417-045642**

**IS THERE SOMEONE YOU KNOW WHO MAY BE LONELY OR IN NEED?**

If so, **INVITE THEM ALONG** to our weekly **FREE BBQ meal**, recommencing on **Wednesday 5<sup>th</sup> January 2022** where they would be very welcomed and find a sense of belonging in our community.

Also, if you know of anyone needing food, clothing, furniture, household items or other needs including transport, please give them our details above and we will be pleased to do what we can for them.

- ✓ Did you know you that hippopotamuses have killed more people in Africa than any other animal?
- ✓ Did you know that popcorn was invented by the Aztec Indians?
- ✓ Did you know that your tongue is the fastest healing part of your body?
- ✓ Did you know that our Christmas Tree appeal at the Kew Corner Store has again revealed an incredibly generous local community: around \$3,000 donated so far as well as about \$2,500 in unsolicited Christmas gifts for those in need. We live in an unbelievably generous community, enabling us to show great acts of giving, on behalf of the community, to many who are struggling in the Camden Haven area. Thank you all.

Last year another of our Partners, the **Laurieton Catholic Church**, generously donated **50 doonas** to Community at 3. We were successfully able to give these away to the many in our community who will now be a lot warmer in future winters.

Here is a photo of **Fr Michael** handing over some of the doonas to Theo. Thank you Church.

**A CARING VOLUNTEER**

Marj with one of our favourite friends, Albert

One of the loveliest, caring people you will meet. Marj Cameron, a long-time member of one of our partners, the **Camden Haven Anglican Church**, has also been a Volunteer with Community at 3 for the past few years, along with several of her friends. Not only is Marj reliable as a Volunteer (a quality most valued), but she is also generous, caring to all of our friends, and has an endearing smile which reflects the joy of love in her heart. All who meet Marj are uplifted by her presence. Thank you Marj for joining Community at 3. It is a pleasure to serve alongside you as we care for members of our community who look to us for help in times when they need it the most.

Looking pretty good at 96 (age revealed by permission)

If you go out to **be a friend**, you'll find they are **everywhere**."
