THE WEEKLY BBQ IS BACK

Following the creation in 2020 of our Covid-safe plan, registered with the NSW Government, and meetings with the LUSC, the date for the return to our Wednesday BBQ meal – our Christmas gathering – took place on Wednesday 16th December 2020. It was great to see old faces and some new friends as well. How good is it to feel that community spirit of friendship once again. Goodbye 2020 – welcome 2021. And now we are back on a weekly basis, gathering together as before. Our first day back is Wednesday 13 January 2021 at 3.00pm.

DURING THE LOCKDOWN

During the 2020 lockdown, it was a great pleasure for our many committed and hard-working Volunteers to make, donate, prepare & package food and other essentials to deliver to our very special friends around the Camden Haven – and for those doing the deliveries, to stop for a short chat and make sure everyone is ok. It is wonderful to have the ability to keep in touch in this way. Here are some more of our friends who didn't object to having a happy snap taken whilst on our rounds....

Love the t-shirt, Warren.
Are the words true?*

Rob Dwyer receiving life membership from our youngest Volunteer, Jono

At the Volunteers afternoon tea on 9 December 2020, **Rob Dwyer**, Secretary Manager of the LUSC, was presented with **life membership of Camden Haven Community at 3 Inc.** "in recognition of his exceedingly generous support of this organisation" Rob is indeed a very special friend of Community at 3.

Behind the scenes

Community at 3 is much more than a BBQ meal. Our objectives, as stated in our Constitution, are:

"..To undertake a ministry of community in the name of Jesus Christ to those in need in the Camden Haven area and surrounds:

- (1) By providing to them one or more regular meals.*
- (2) By creating a context of social inclusion to enable networks to form.*
- (3) By assisting them to access services provided by the association or any other Not-For-Profit organisations.*
- (4) By establishing any activity which would enhance the ability of the association to meet their needs.*

To assist all such persons in need, and accept Volunteers, without discrimination and regardless of their religion, race, sexual orientation or system of belief.."

Just before Christmas, we set up a "Help Desk" outside the **Kew Corner Store** for anyone needing to have a chat or ask for any type of assistance.

*Community at 3 supports local small businesses, which in turn support us. There is no other small business which is more supportive than Staffan Andler's **Kew Corner Store**. Drop in for a coffee and say hi to Staffan sometime.*

Did you know

- ✓ Did you know you can buy square watermelons in Japan? (developed to stack better)
- ✓ Did you know you can only see a rainbow if you have your back to the sun?
- ✓ Did you know that a piece of paper cannot be folded more than 7 times?
- ✓ Did you also know that Community at 3 can access a network of people and organisations ready to help anyone who may require assistance with any of the issues which can befall anyone of us in life – **JUST ASK!**
